The “Tuning Into Your Heart: Self-Development Through Conscious Living” Ambassador Program is a 2-hour comprehensive introductory workshop for school staff and community members to gain insight into our program offerings and unique approach to engaging with schools. Through this program, participants develop an understanding of Heartfulness and its effectiveness in promoting social-emotional learning and will craft an action plan for reaching out to schools that might benefit from our program.
What Is Heartfulness?
Heartfulness offers a means to tap into the heart’s unlimited resources through a variety of simple and practical relaxation and inner-journey solutions. This can aid us in problem-solving and empower us to be the best we can possibly be in all aspects of our life. Heartfulness methods are practiced in more than 126 countries throughout the world, in schools, universities, corporations, communities and among individuals.

What Is Heartfulness Program for Schools?
Heartfulness Program for Schools is a program of workshops that teach simple and effective relaxation, affirmations and breathing techniques to help develop calmness from within for reduced stress and anxiety, improved focus and overall well-being. The programs range from a single workshop to a workshop series for a deeper understanding of relaxation. Ongoing support is available from Heartfulness trainers and coaches.

How Does Heartfulness Help in Schools?
In our school programs, participants become:
• More relaxed and calm
• Better integrated and equipped to have healthy relationships
• More positive and focused
• Healthier and more balanced
• More creative and productive

How Much Do Heartfulness Programs Cost?
Heartfulness Program for Schools is offered completely free of charge by Heartfulness Institute, a non-profit organization. Heartfulness programs are open to everyone irrespective of religion, nationality, personal beliefs, socioeconomic background, academic ability or other demographics.

Heartfulness Program for Schools is for everyone in a school system, not just students. Its holistic approach considers the individual needs of all members of a harmonious school body.
